

Information On The Property From The Town

Research & Due Diligence

Property Address: _____

Call the Town or County offices:

Speak with Zoning Department if there are specific things you'd like to do at or on your property such as a business, agriculture, rental, etc

Contact person name: _____

Contact email: _____ phone: _____

Speak with Building Department for any construction you'd like to do at the property
Such as a garage, addition or special criteria you'd like to ask about.

Also, ask about the file on the property you would like to purchase and procedure to review the file. It is public information. Many times land surveys, septic designs and well water information are in these files as well as permits of work done on the property.

Contact person name: _____
